Describe sides and corners

Read each task carefully. Show your thinking and complete the activities.

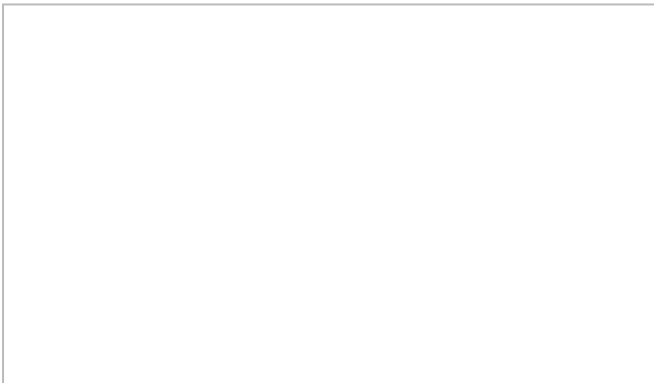

1. Draw a hexagon. Label the number of sides and corners. Split the shape into smaller shapes.

2. Draw a pentagon. Label the number of sides and corners. Draw another shape with a different number of sides.

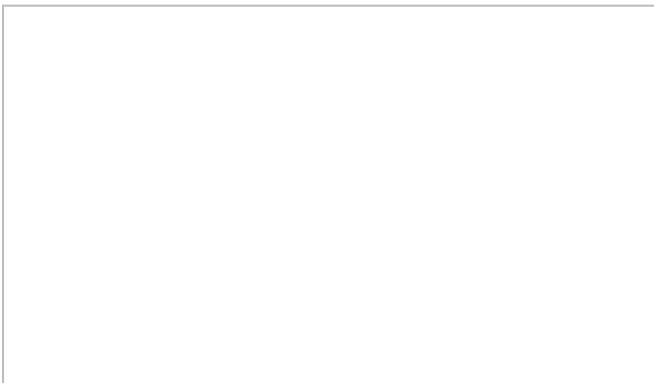

3. Draw a hexagon. Label the number of sides and corners. Use two copies to make a pattern.

4. Draw a square. Label the number of sides and corners. Add one line and describe the new regions.

5. Draw a square. Label the number of sides and corners. Draw a familiar object with this outline.

6. Draw a triangle. Label the number of sides and corners. Split the shape into smaller shapes.
