Cut and match shapes

With adult help, cut the shape tiles. Match and paste them in the boxes.

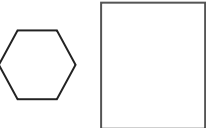

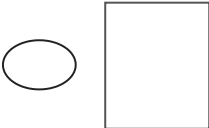

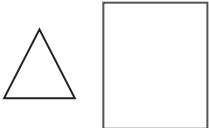

1.

		
<div style="border: 1px dashed black; padding: 5px; display: inline-block;">  1 </div>	<div style="border: 1px dashed black; padding: 5px; display: inline-block;">  2 </div>	<div style="border: 1px dashed black; padding: 5px; display: inline-block;">  3 </div>

2.

		
<div style="border: 1px dashed black; padding: 5px; display: inline-block;">  1 </div>	<div style="border: 1px dashed black; padding: 5px; display: inline-block;">  2 </div>	<div style="border: 1px dashed black; padding: 5px; display: inline-block;">  3 </div>

3.

		
<div style="border: 1px dashed black; padding: 5px; display: inline-block;">  1 </div>	<div style="border: 1px dashed black; padding: 5px; display: inline-block;">  2 </div>	<div style="border: 1px dashed black; padding: 5px; display: inline-block;">  3 </div>
